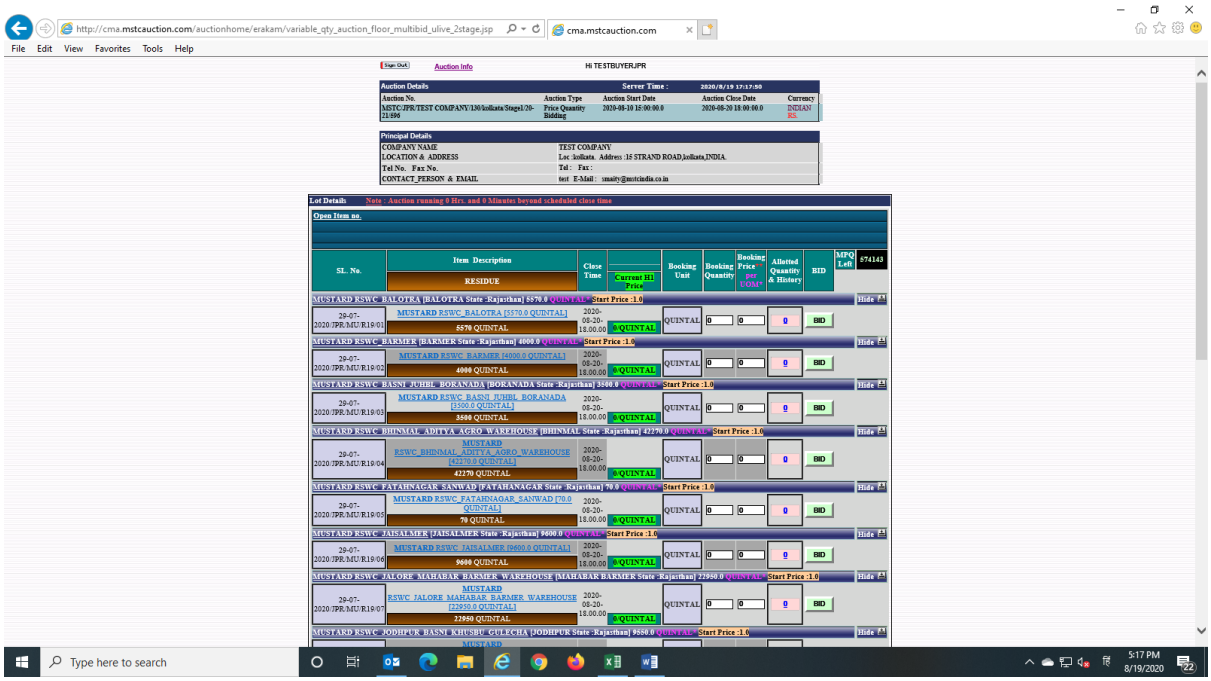
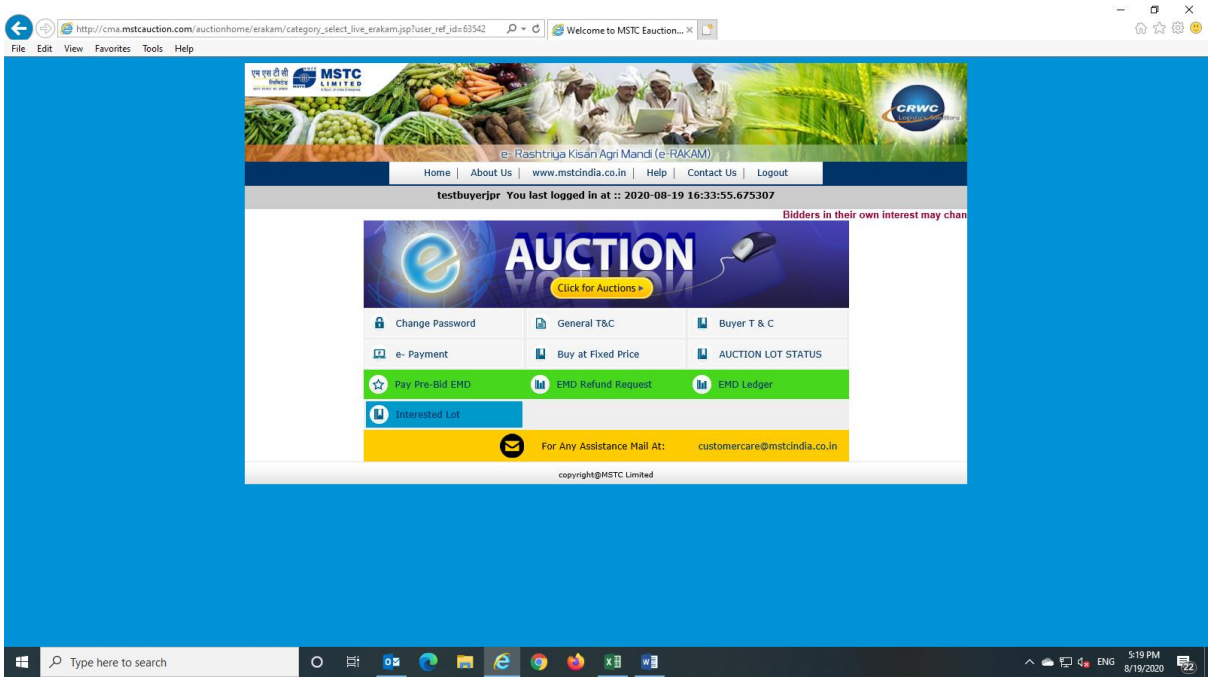
New feature of pre-selecting Interested Lot introduced in NAFED e-Auctions. Step-by-step guide for using this new feature is given below:

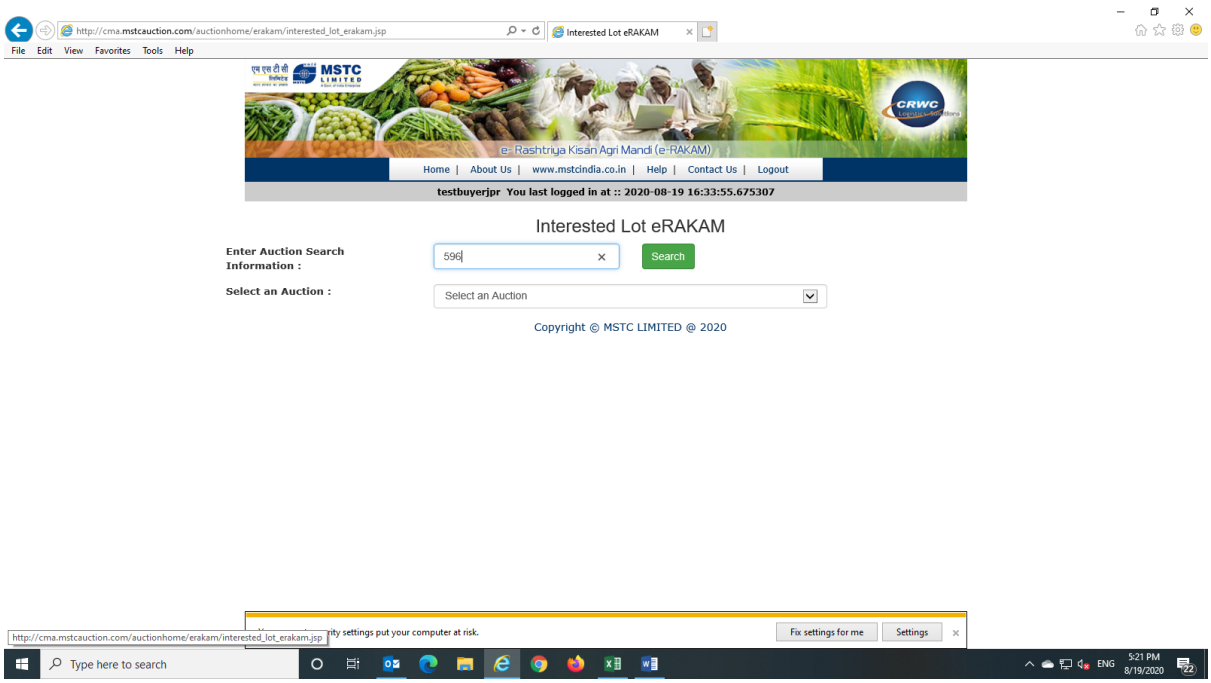
1. All Lots are visible on the Live Auction Floor when no Interested Lots have been selected by bidderas shown below (here please note your auction number for later use):



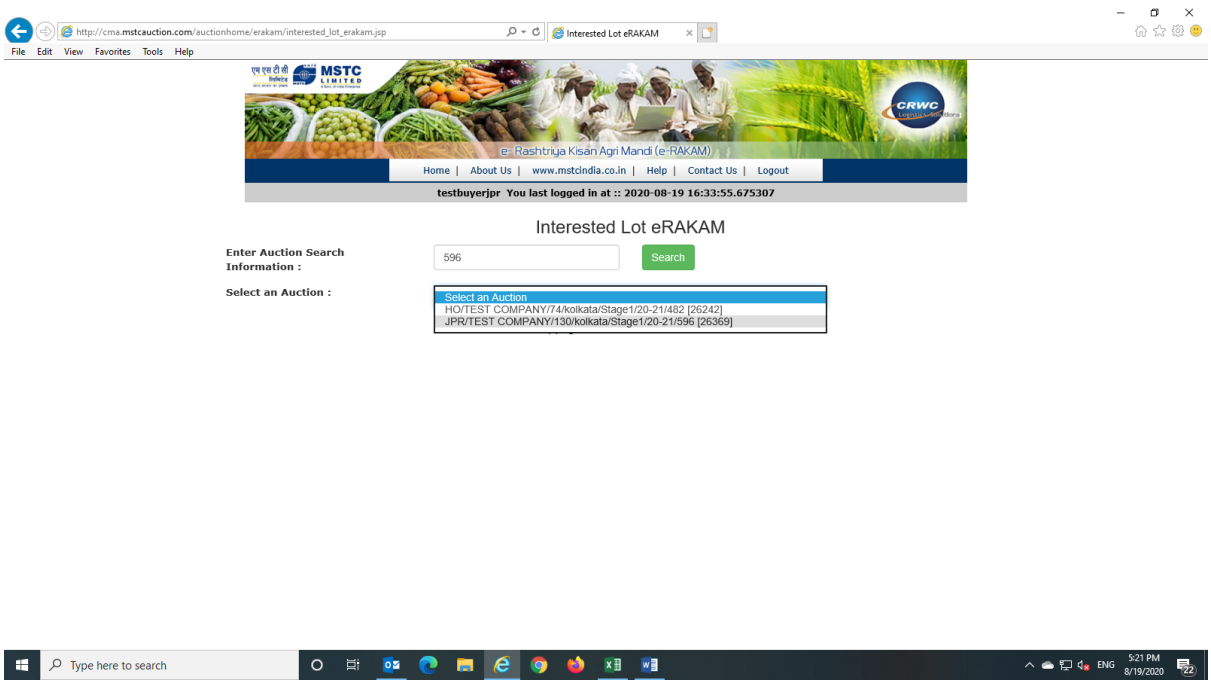
2. Click on “Interested Lot” link on Bidder Home page (just after login) as shown below:



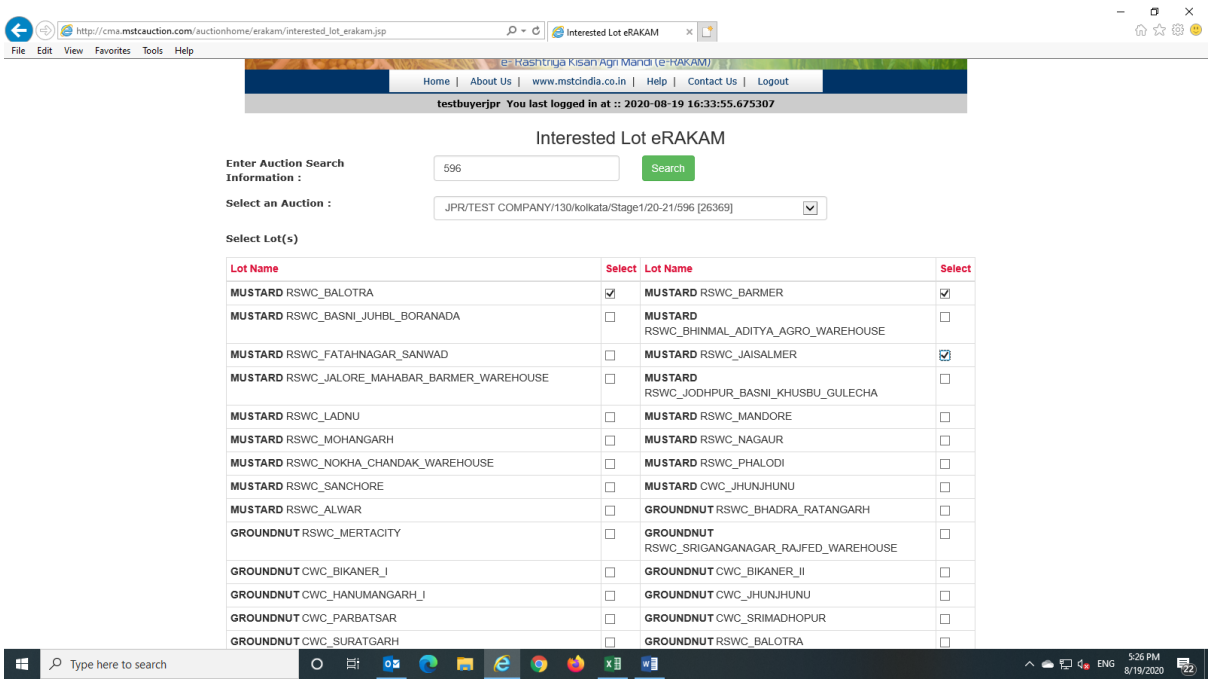
3. Type the e-Auction Number (appearing just after 20-21 in the full auction number) as shown and click on search:



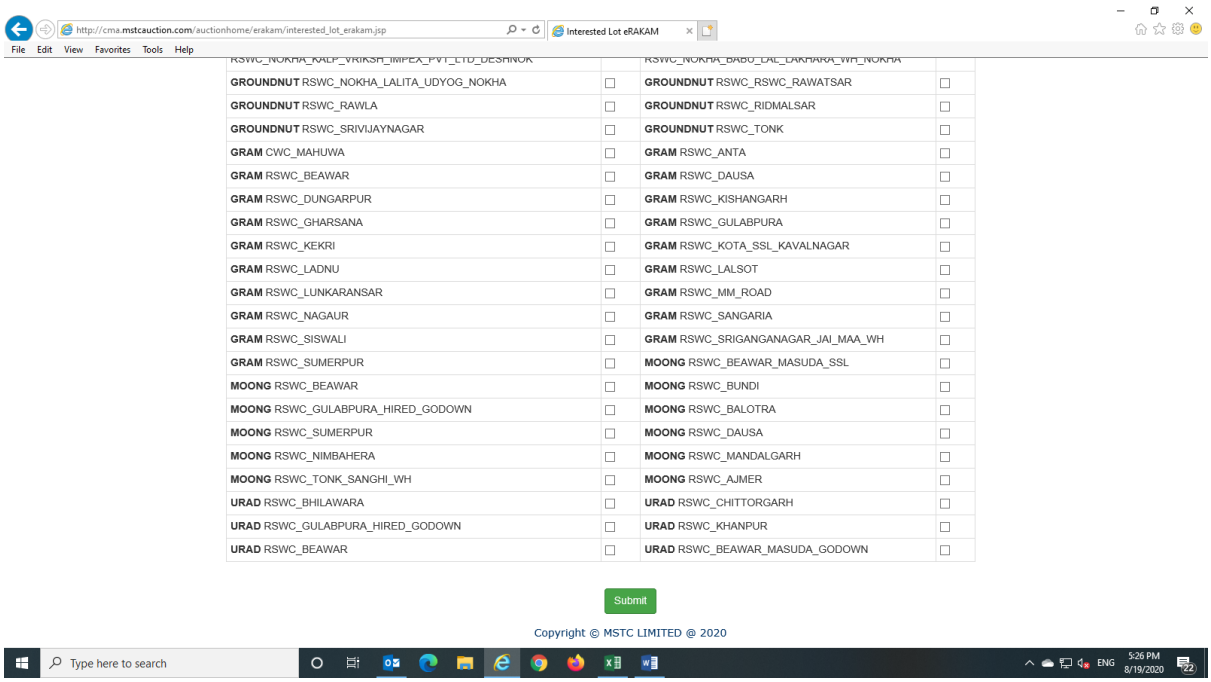
4. Select full e-Auction number from dropdown as shown below:



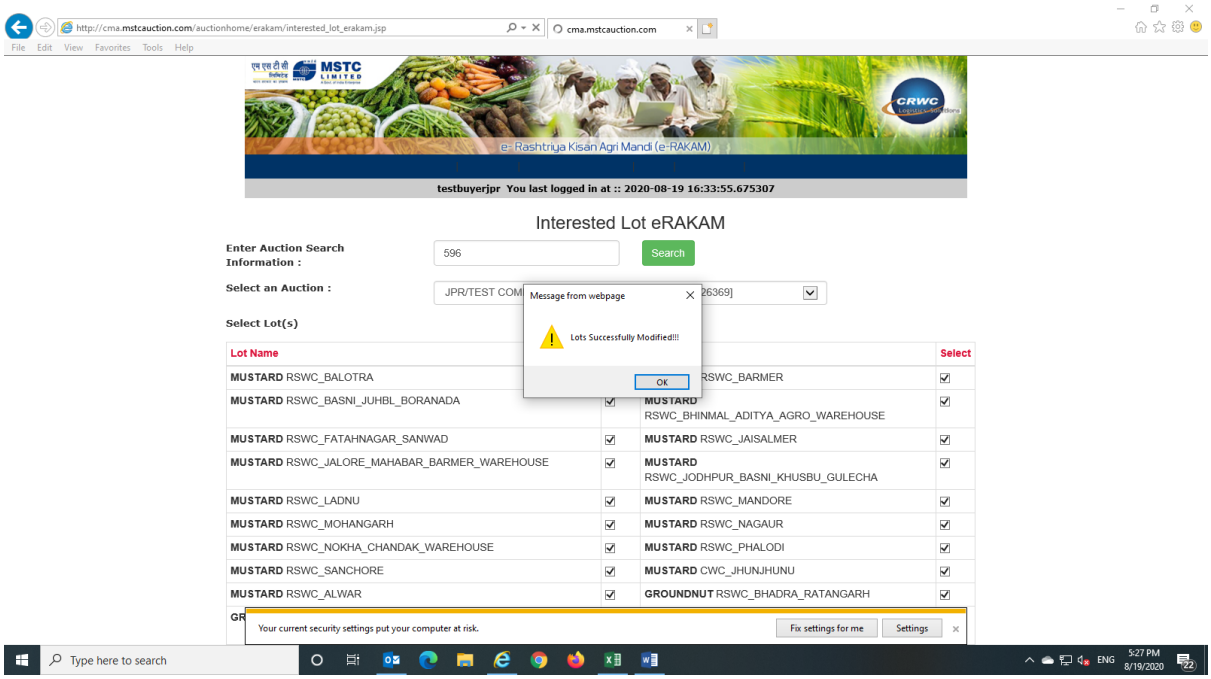
5. Tick in the boxes after the Lots in which you wish to participate in as shown (eg. I have selected Mustard Lots of Balotara, Barmer and Jaisalmer):



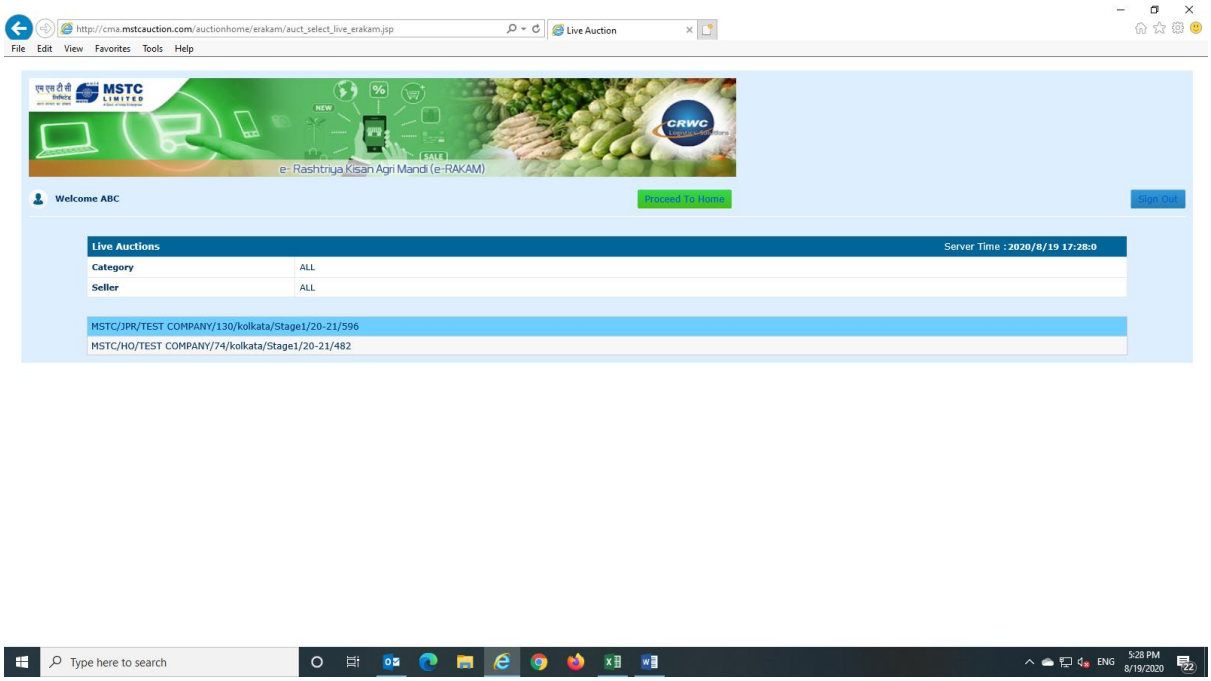
6. After you finish selecting the lots, scroll to the bottom of the page and click on Submit as shown below:



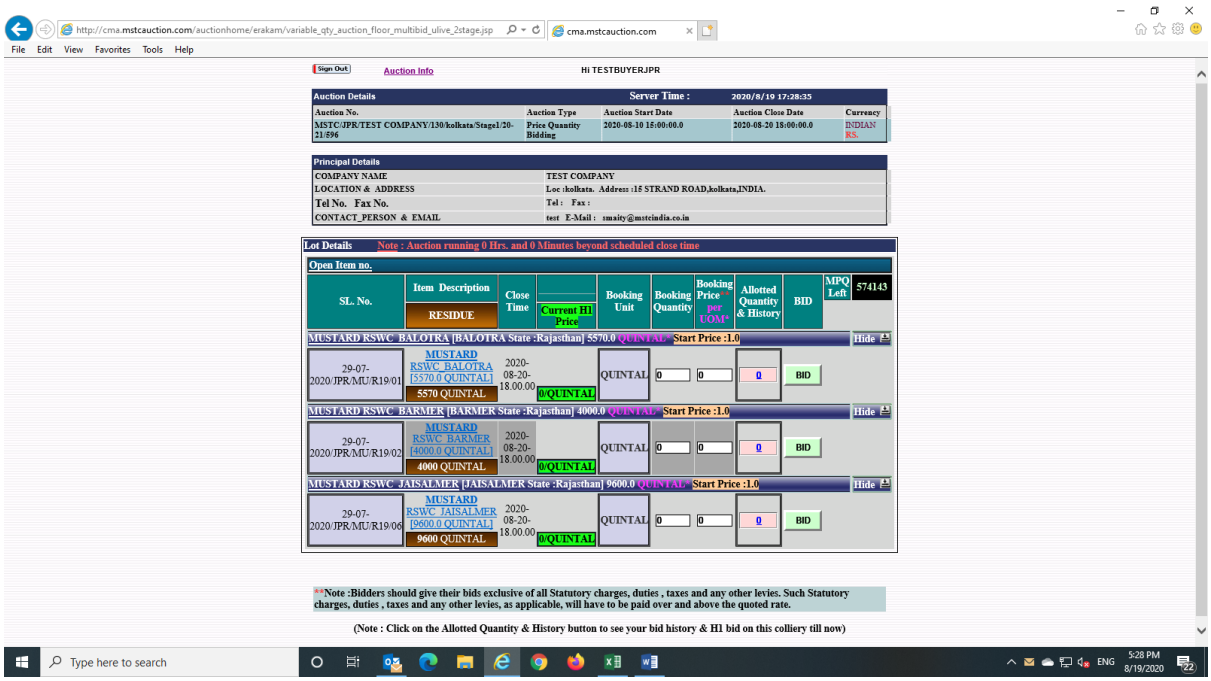
7. Confirmation message shall be shown as below:



8. Now go back to the live auction floor and select the auction to bid:



9. Only the Interested Lots selected are now visible on the auction floor as shown below:



10. If you wish to see any other lots then you need to go back to the Interested Lot link on your bidder login home page and modify your selection using the same process as given in point 2 to 6 of this guide and then re-enter the live auction floor.
