Bidders can generate the VAN for one or more banks and add the same to their beneficiary list for future payments of pre bid EMD. They can make Pre-Bid transfers any number of times using the same Virtual Account Number without having the need to generate a new chalan and add beneficiary every time. Furthermore, the IMPS mode of payment transfer can also be used for instant payment credit and buyer ledger update. The VANs are bidder specific, and each bidder will have a different virtual account numbers for Bank of Baroda, Axis Bank and SBI. The facility of fixed VAN is available only for payment of Global Pre-Bid EMD.

i) Bidders after successful login will get three new links at their homepage as:

ii) Pre Bid EMD must be paid by the bidder (NEFT/RTGS) through this first link (Pay Pre Bid EMD) only. Refund to bidder as per their online request will also be processed on the next working day. In order to participate in bidding for lots which require pre bid EMD, the bidder is required to have sufficient balance in the EMD wallet provided to the bidder for the purpose. A bidder can add money to its EMD wallet anytime through e-payment mode only and by following the link Pay Pre Bid EMD provided in the dashboard. Bidders in their own interest are advised to keep sufficient balance in their EMD wallet to bid in any auction and avoid any last minute hiccup. MSTC/Seller shall not be responsible for any delay in crediting of the money in MSTCs bank account due to any reason resulting in delay in updating the EMD wallet of the bidder.

iii) This pre-bid EMD cannot be used for any other purpose. Bidders can check the status of EMD through the third link provided as EMD Ledger where both deposit, refund and consumption details will be reflected.

iv) Bidders are advised to pay pre-bid EMD atleast one day in advance from the e-auction date.
