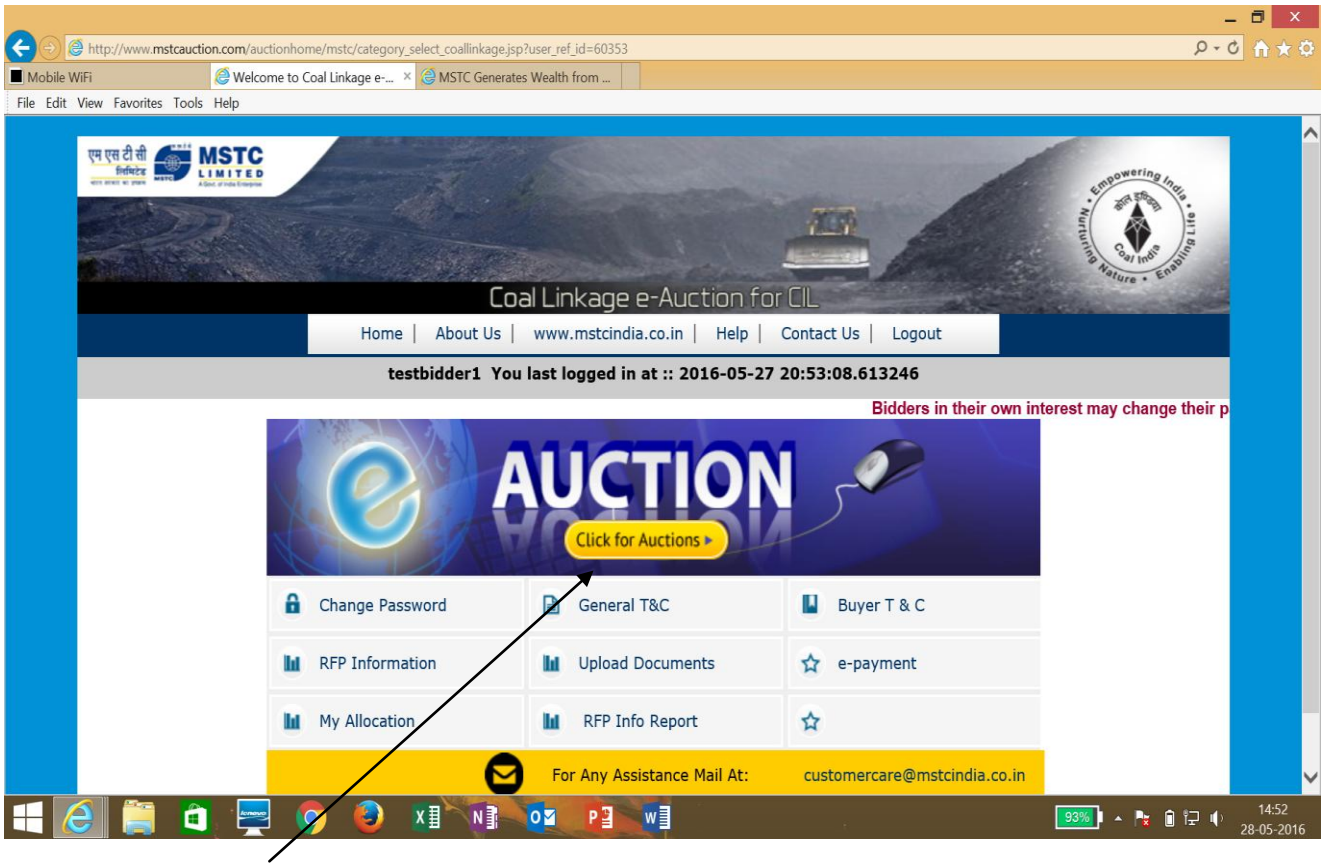
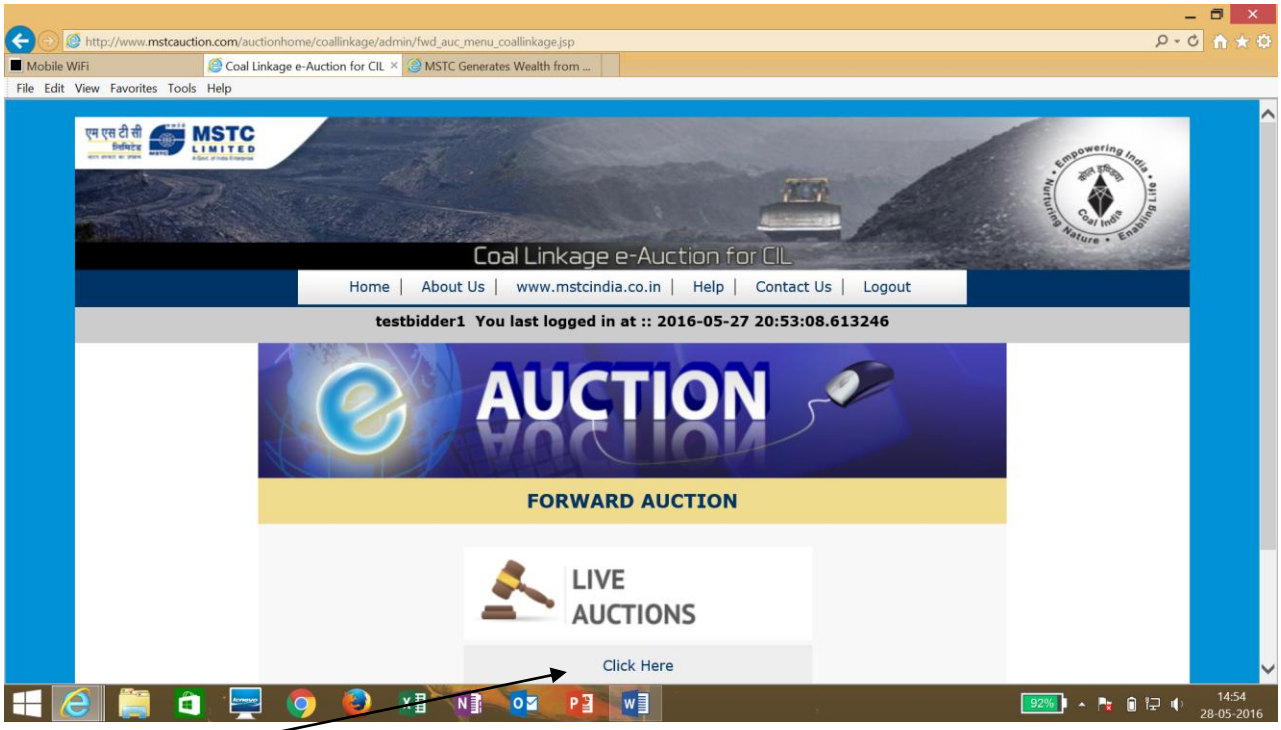
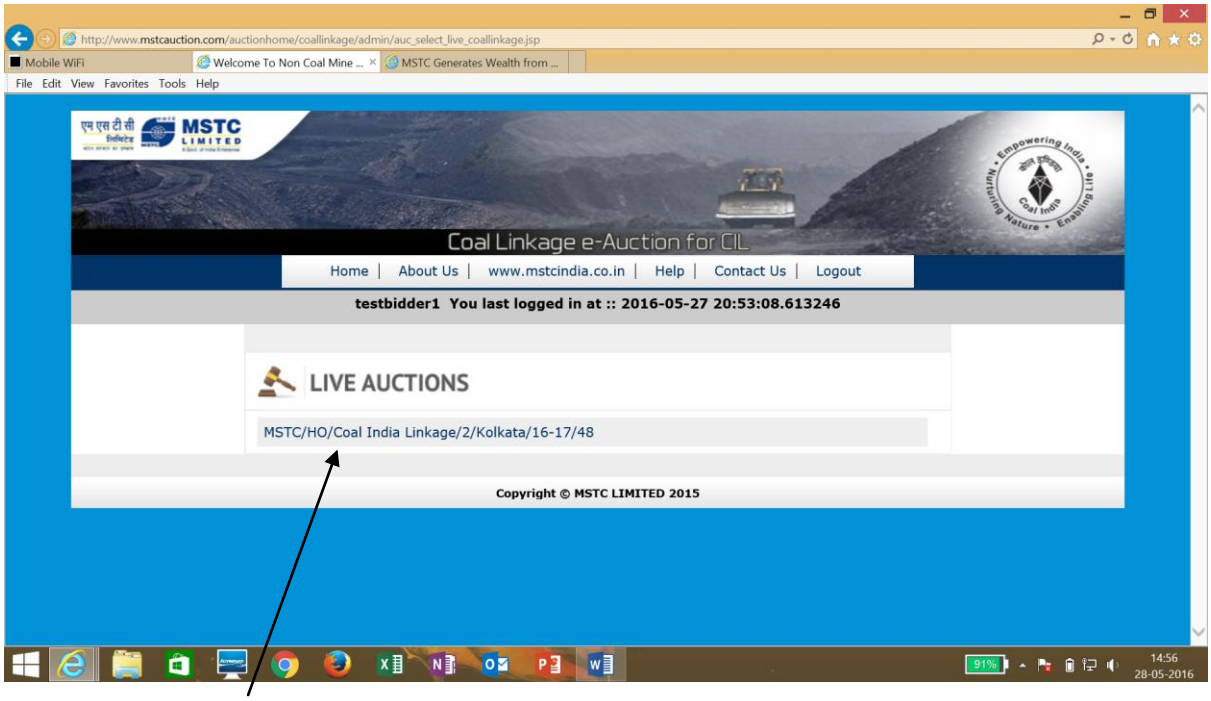
Guide for Bid Submission



Click on Click for Auctions.

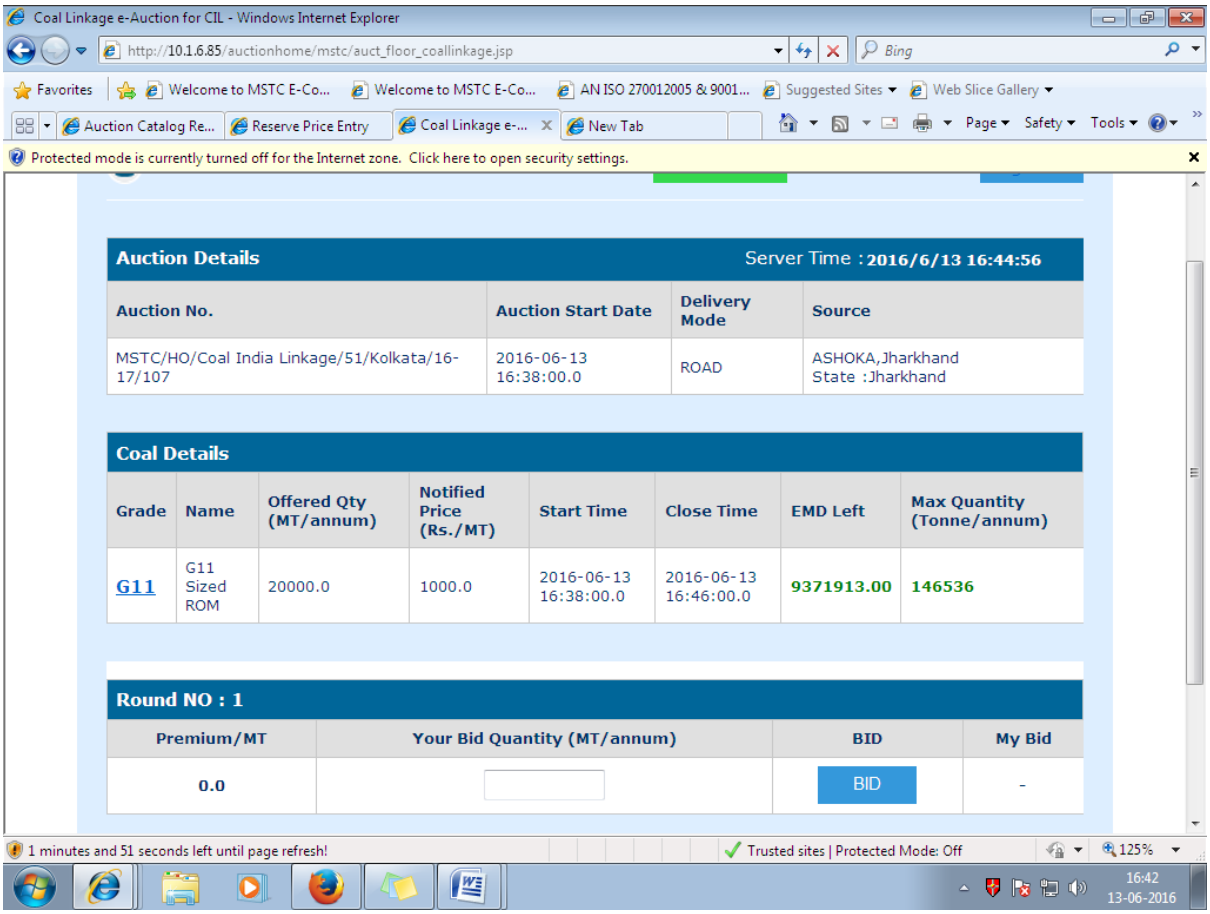


Click on Click Here.

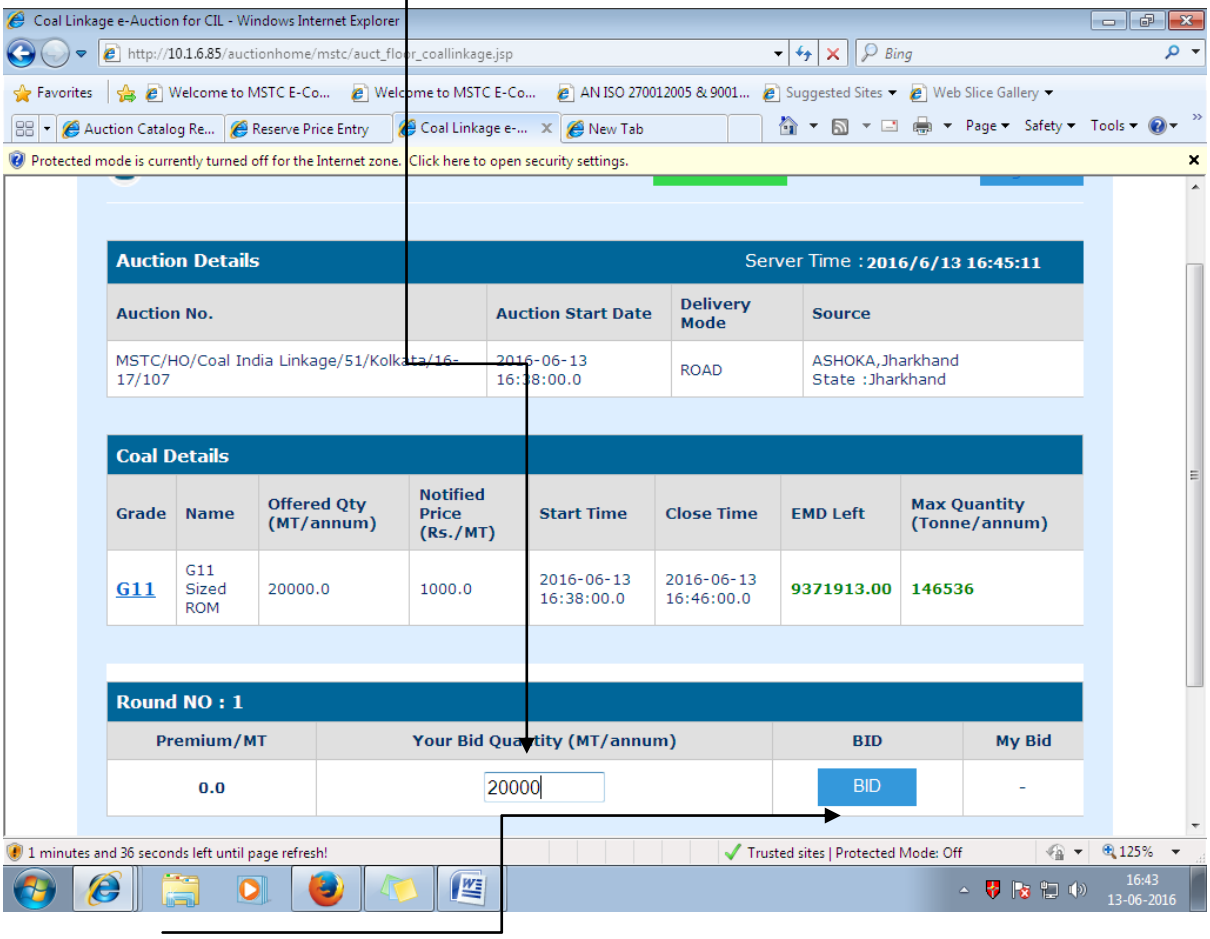


Click on the Auction Number in the above screen.

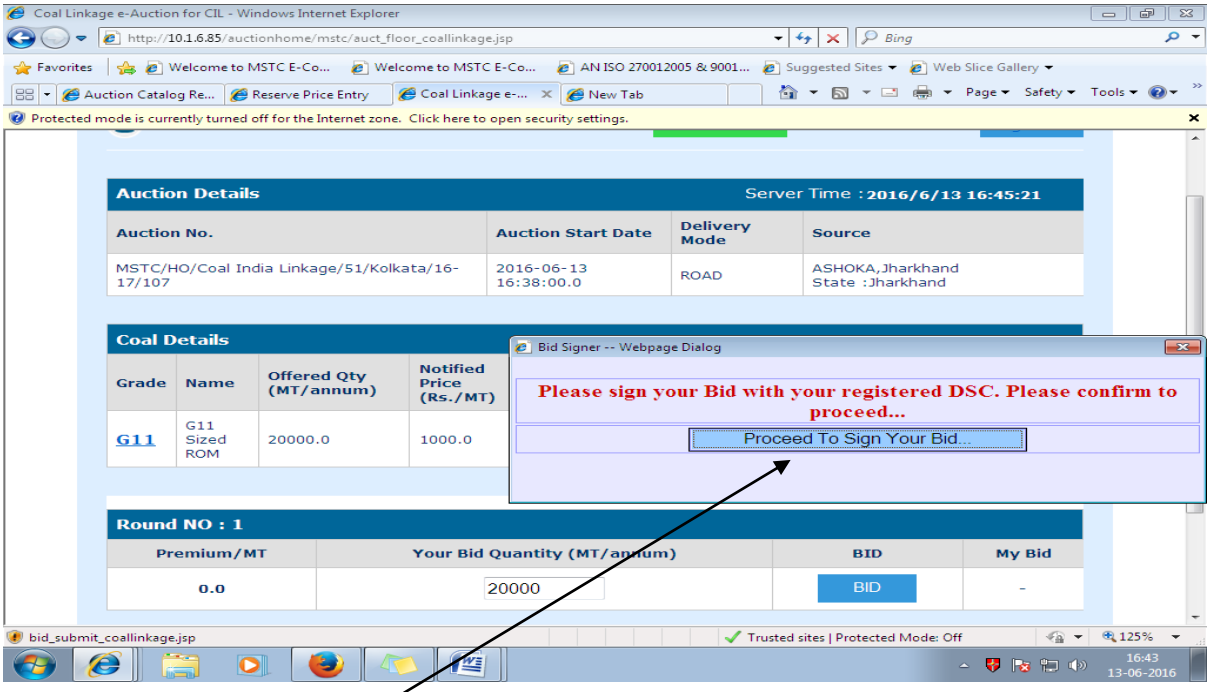
Bid Floor for Round 1.



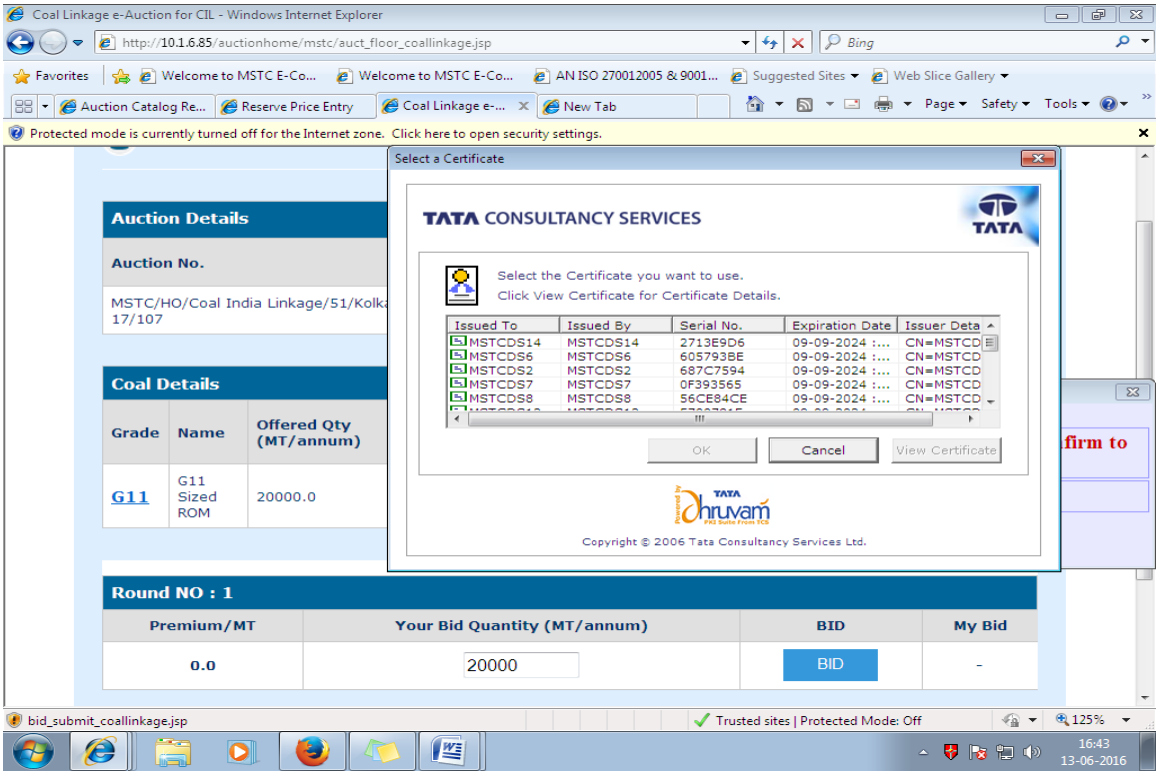
To submit bid, type your Bid Quantity in the space provided as shown below.



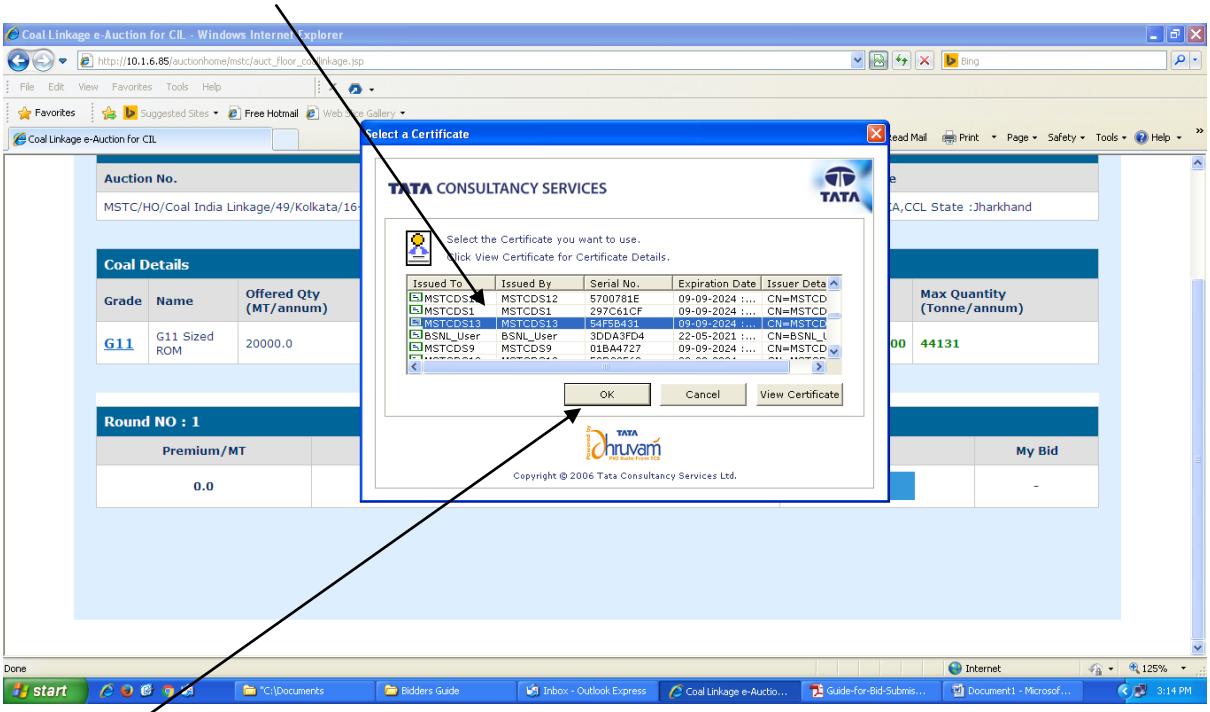
Click on BID button.



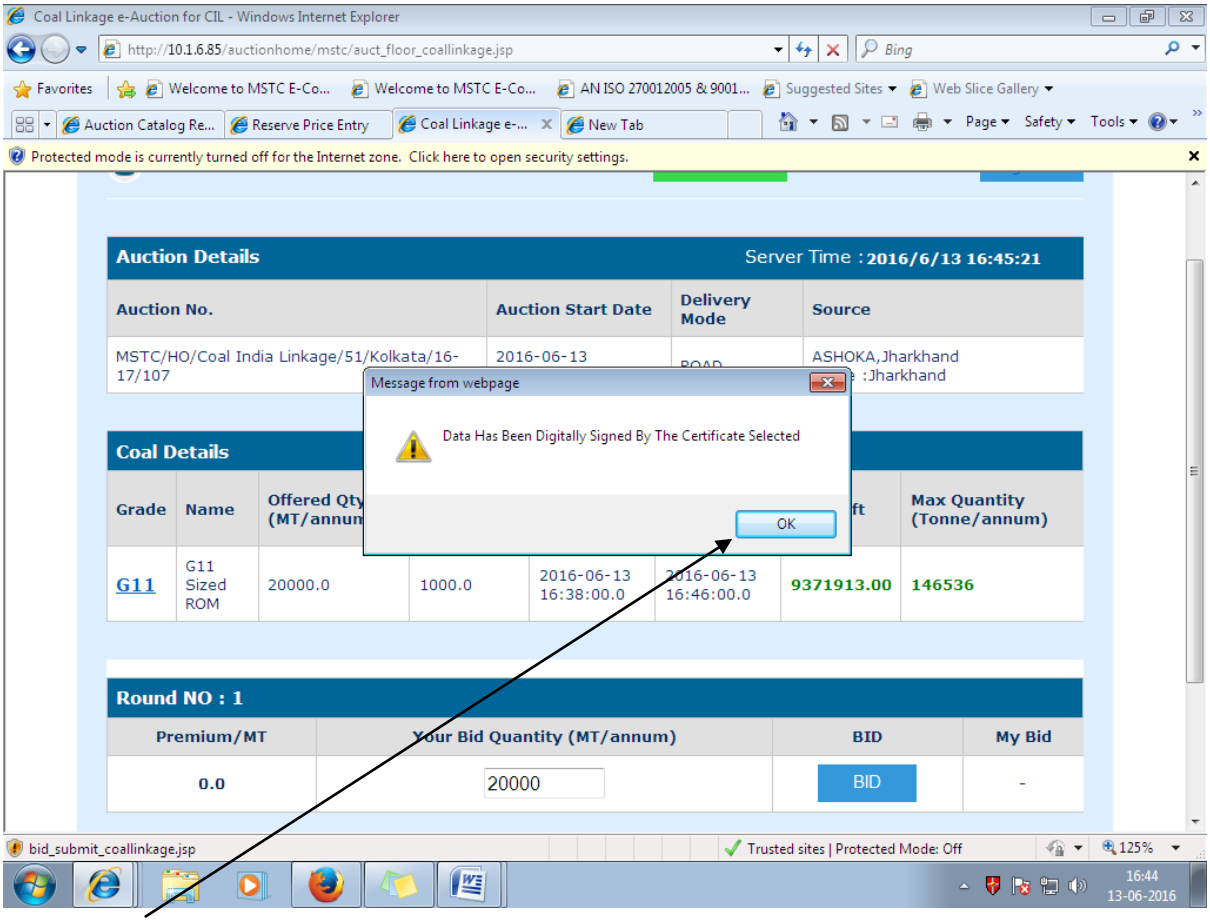
Click on Proceed to Sign Your Bid. The TCS Window will appear and display the DSC as shown below.



Select your registered DSC.

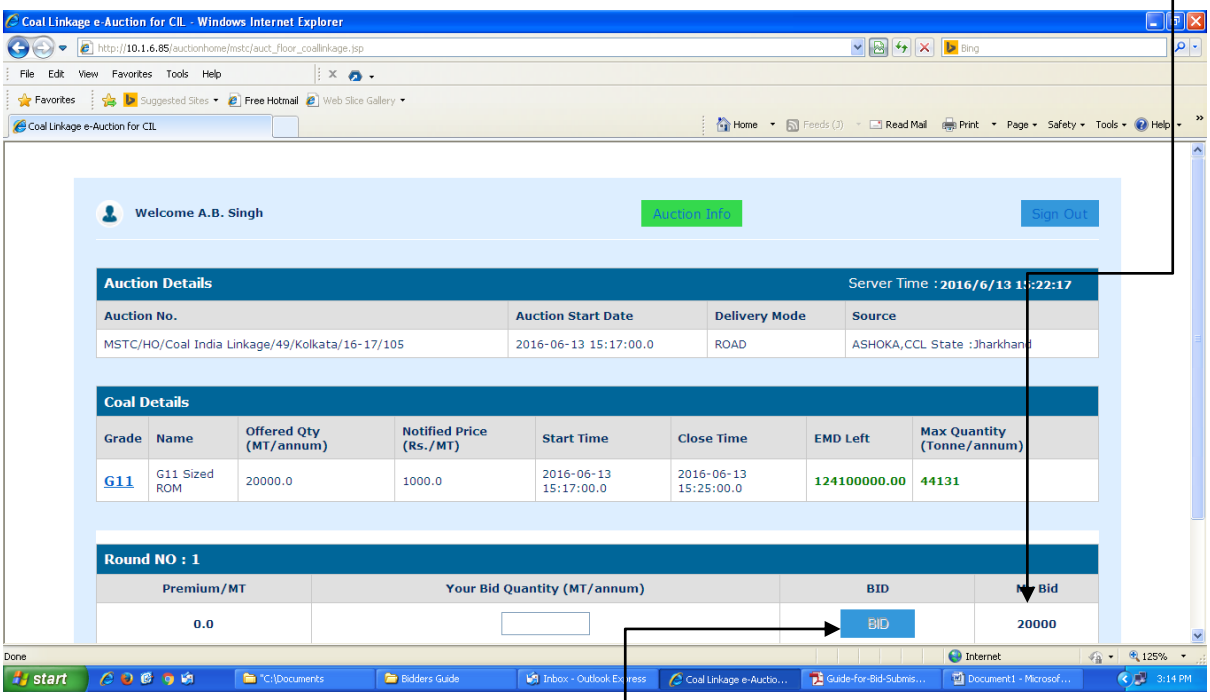


Click on Ok. Provide the PIN for the DSC.



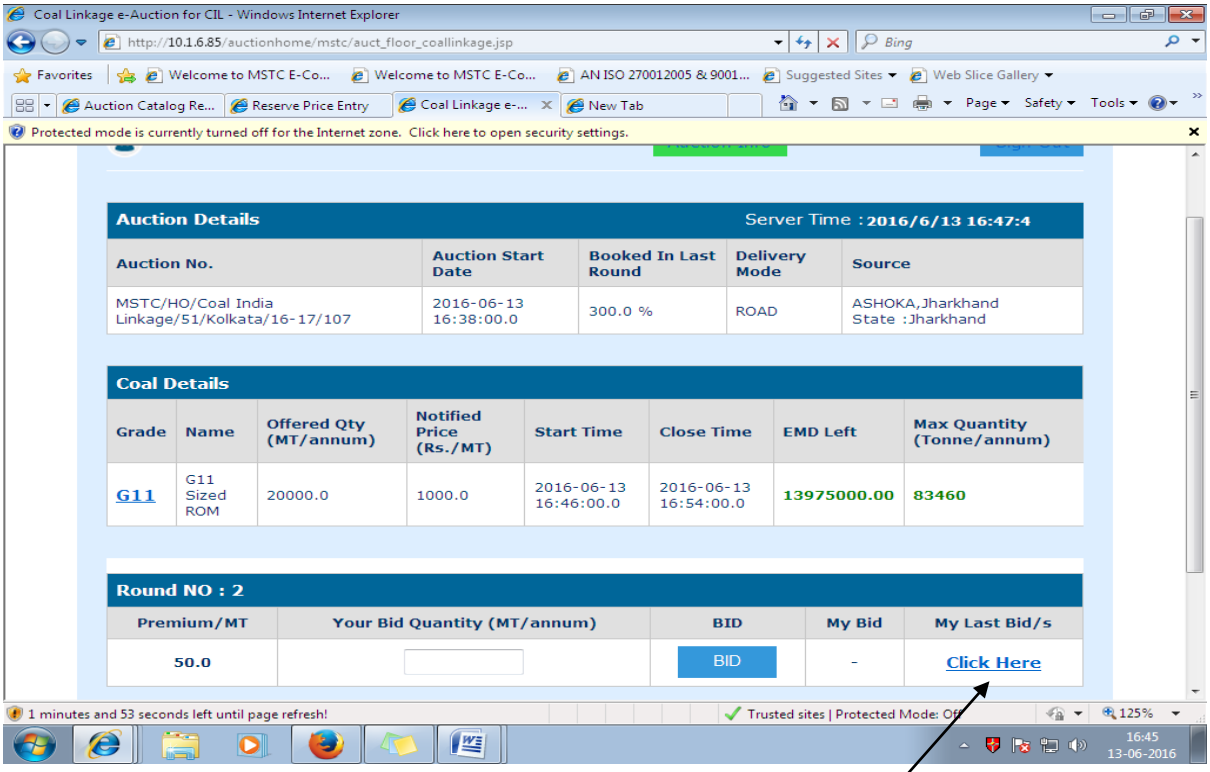
Click on Ok to proceed.

If the bid is recorded by the System, the screen will display the bid quantity under My Bid as shown below.

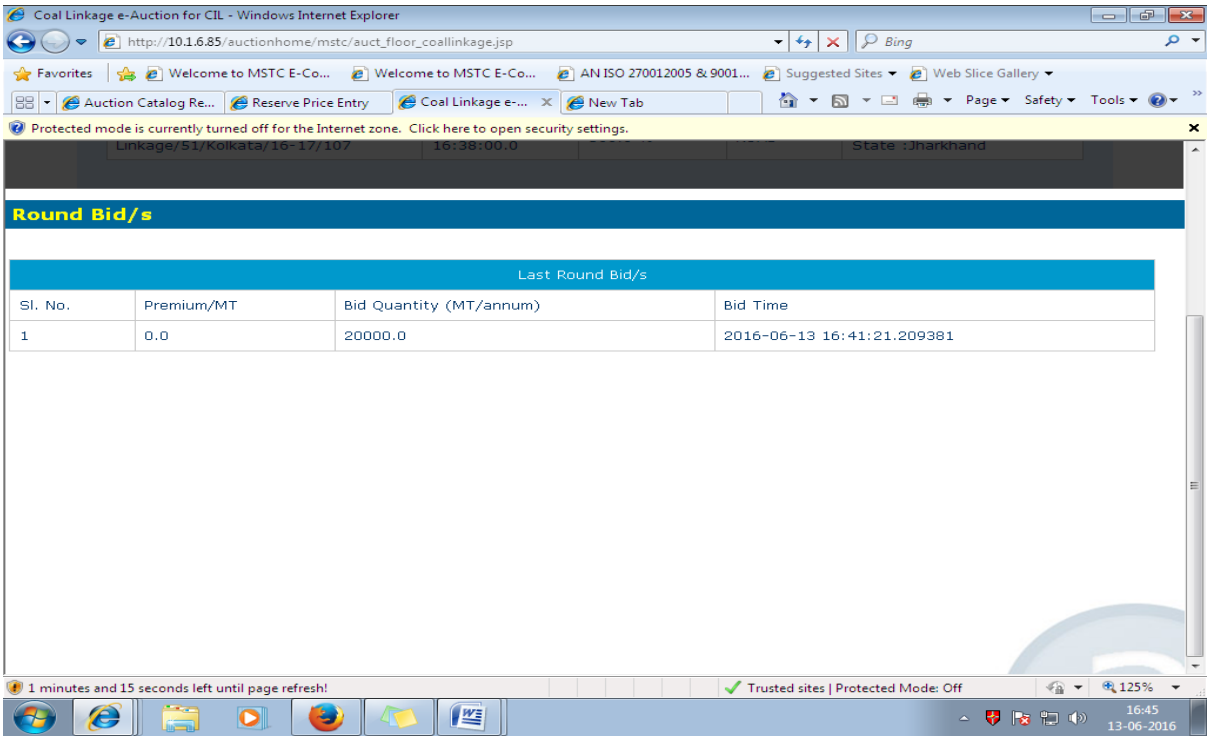


The BID button will get disabled for the bidder for the Round.

Bid Floor in Round 2 and above.

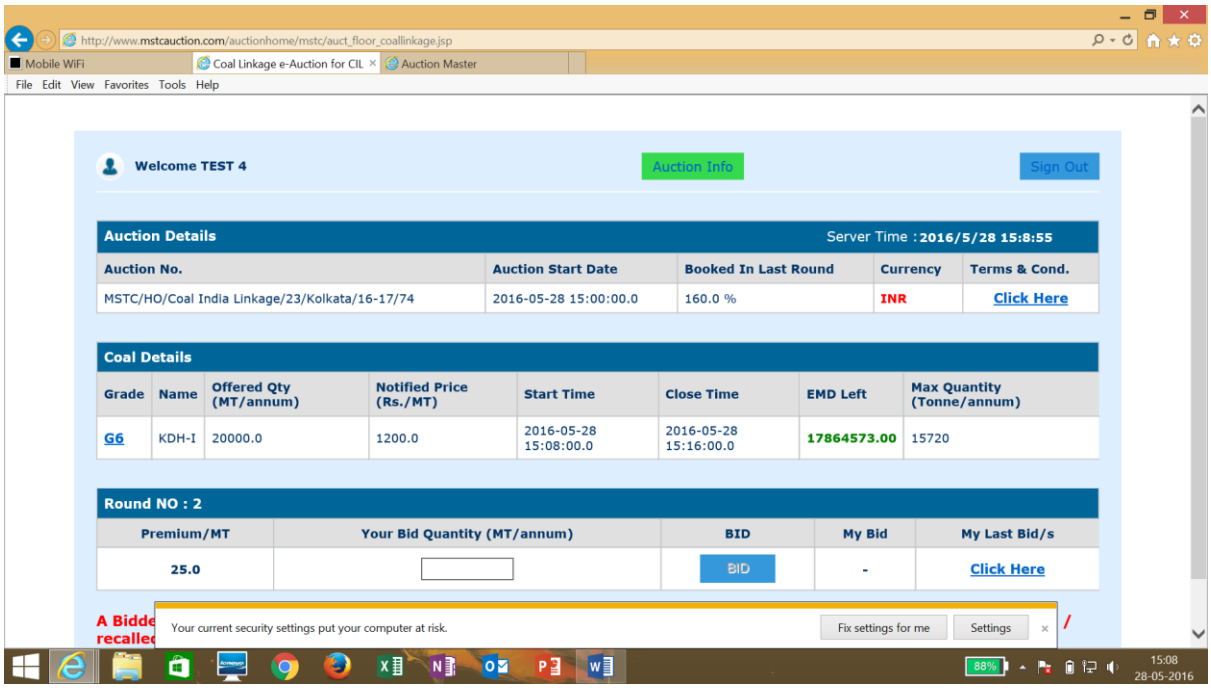


In Round 2 and above, the Bid Floor also displays to the bidder its bids in earlier Rounds for reference through the link My Last Bid/s (Click Here). Clicking on this link, the bidder gets a pop up Window as shown below.

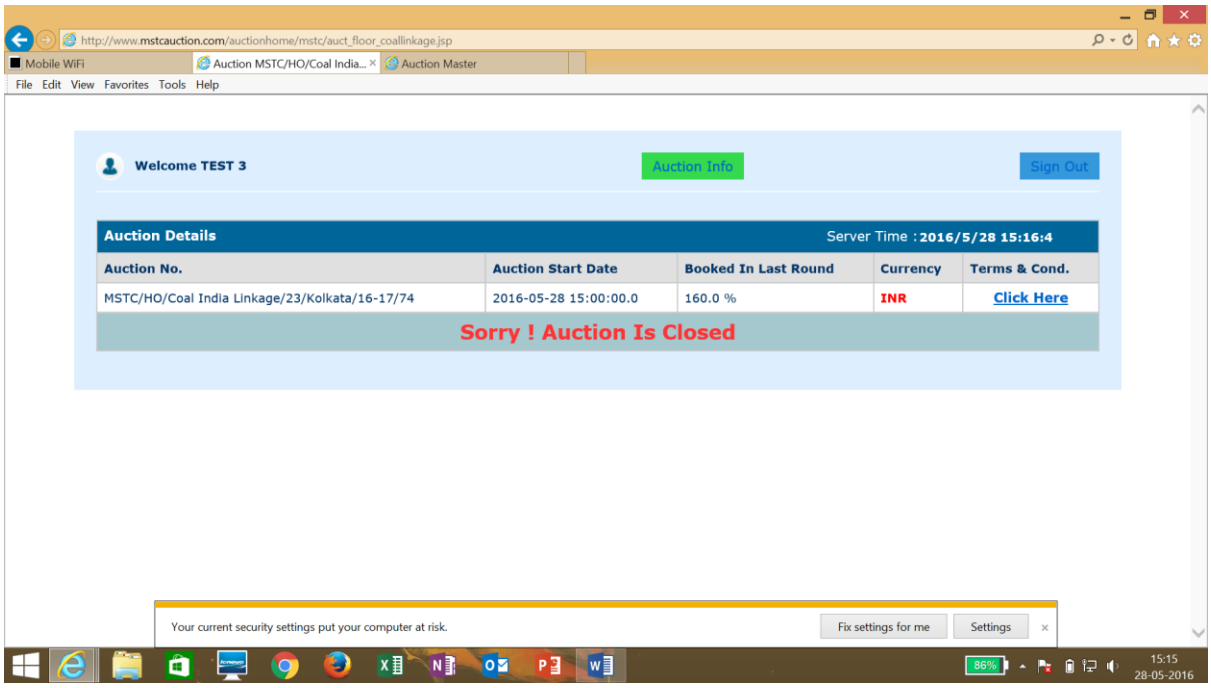


Close the Window to go back to the Bid Floor.

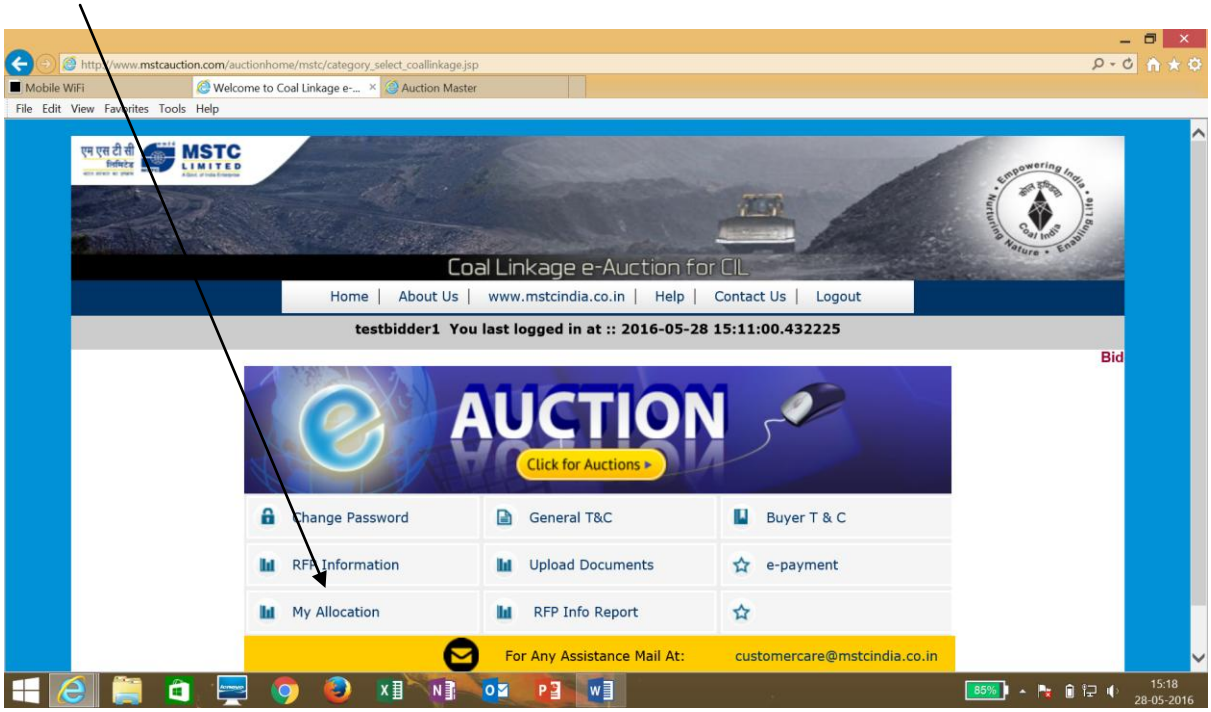
If a bidder doesn't bid in the previous Round, it can't bid in the on-going Round. The BID button remains disabled.



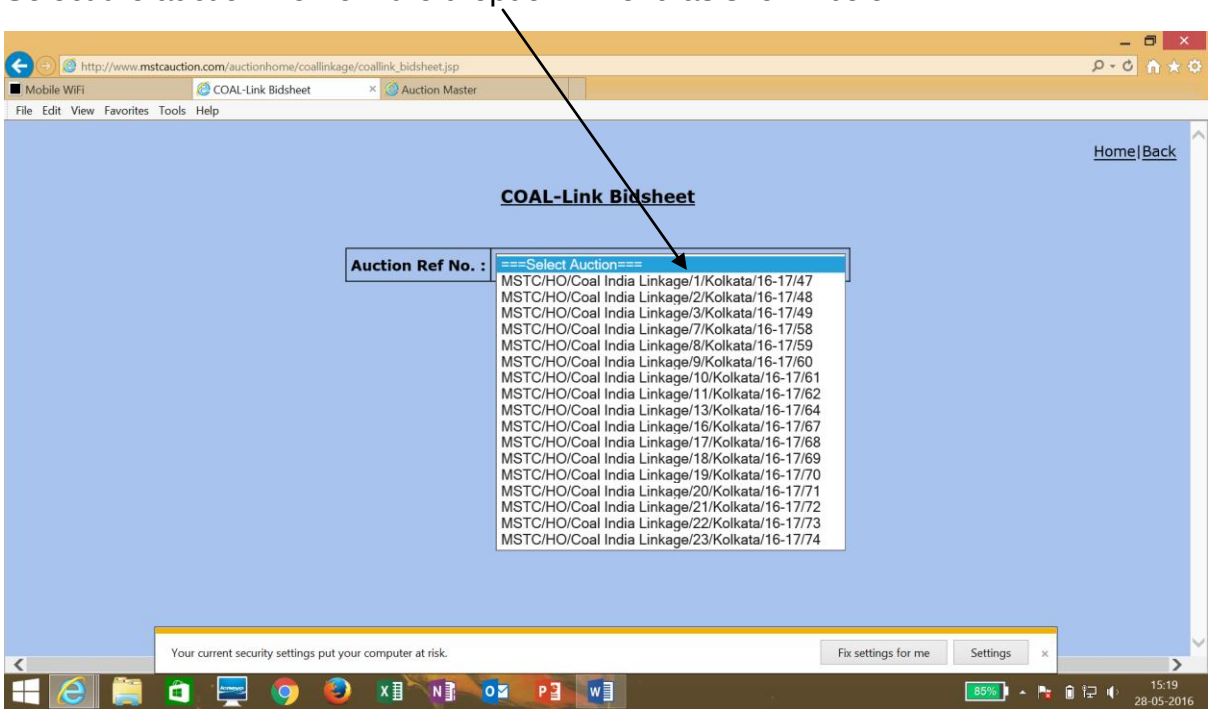
When the auction closes for the source, following message is displayed.



After the close of auction, a bidder may check its allocation through the link My Allocation as shown below.



Select the auction No from the dropdown Menu as shown below.



On selection of the Auction No, the following screen will appear.
