8. Payment Time Period for making payment of Balance Sale Value along with duties and taxes will be Full Payment Time as defined in auction catalogue less Post Bid EMD Payment Time already given for payment of EMD. Reckoning of Payment Time for the purpose of making payment will start from the date of closing of auction excluding the date of auction and for STA lot reckoning will start from the date of acceptance of the lot as registered by the seller in the system. Total Free Time Period will not change under any circumstances.

Late payment charge shall be calculated on basic bid value. However, this shall not confer any right to the Bidder to make any Late Payment of Balance Sale Value or applicable Duties and Taxes. Seller/MSTC reserves the right to accept or not to accept the payment of the Balance Sale Value with or without the Late Payment charges after the expiry of the stipulated payment time period as mentioned in the auction terms.
