1. Guide for making payment to MSTC through e-Payment in Bidders login is available at (Link)
2. No cognizance will be taken if payment is not received in line with defined terms & conditions of e-auction. In such cases buyer will be required to make fresh payment according to the terms of auction. Seller/MSTC will not entertain any request for extension of free time period for payments due. For auctions under RCM, all payment of balance sale value may be deposited by the buyers with MSTC.

Inspection Details

1. Prospective Bidders may contact the stockholder/principal and visit the site for inspection as per

inspection schedule given in the auction catalogue. Bidder, if himself/herself visits the site for inspection, must carry his/her Photo ID Card issued by MSTC. In case inspection is made by bidder s representatives then they should carry with them proper authorisation of their Identity & Signature on bidder s letter head under bidder s signature along with certified copy of MSTC ID Card.

2. Bidder must satisfy themselves about the nature, quality, quantity, physical conditions, technical specifications, taxes-duties and other legalities of the materials prior to submission of bid. Discrepancy if any found may be brought to the notice of Seller/MSTC at least 3 days prior to the auction start date. Submission of bid would lead to draw a presumption that Bidder has inspected the material physically & thoroughly and has satisfied himself with respect to all aspects. No complaint, whatsoever, with respect to any aspects of the material would be entertained after submission of the bid.

3. Photos of the lots, if any, forms part of the auction catalogue and its annexure would be strictly for reference purpose only and no inference whatsoever may be drawn with respect to any aspects of the material. Bidder has to inspect the material physically & thoroughly to satisfy themselves about the nature, quality, quantity and other properties, if any, before submitting the bid. MSTC/Seller will not be responsible for any complaint in this regard.

Post Auction Payment(s)

1. Successful Bidder will have to deposit Post Bid EMD (herein after referred to as EMD) at a rate percentage calculated on basic bid value, as mentioned in auction catalogue (lot details). Payment of EMD is to be made strictly in accordance with terms & conditions stated in auction catalogue with respect to Time-Period and Rate Percentage or as indicated in Sale Intimation Letter (herein after referred to as SIL).

2. The EMD will be adjustable towards material value only after receipt of the balance material value of last instalment (in case of instalment payment) along with applicable Duties & Taxes as per terms and conditions of e-auctions failing which the EMD will stand forfeited automatically.

3. Reckoning of Time Period for the purpose of making payment of EMD for accepted lot will start from the date of closing of auction excluding the date of auction and for STA lot reckoning will start from the date of acceptance of the lot as registered by the seller in the system. Non-submission of EMD within the stipulated time period will lead to automatic deactivation of the bidder s account. However, the bidder can make payment of full material value along with all duties & taxes within total free time period available. Late submission of EMD under any circumstances will not lead to extension of normal free payment time period.

4. Although immediately after closing of e-Auction, a system generated automatic Sale Intimation Letter (herein after referred to as SIL) will be sent by e-mail to the Successful bidder, it will be the duty of individual bidder to personally check the status of the lot in Lot Status link available in bidder s login and ensure the timely deposit of EMD. SIL issued by MSTC is for record purpose only. Bidder must, therefore keep a watch on their e-mails and keep the same valid and active all the time. No hard copy of the SIL (for Confirmed or Subject to Approval (STA) lots) will be issued by MSTC.

5. Default in Payment Of EMD: In case the successful Bidder defaults in making payment of EMD within stipulated time, his login will be automatically de-activated by the system and will remain so

for a minimum period of 3/6 months as per MSTC Policy. After expiry of the applicable deactivation period Bidder gets an opportunity to reactivate his login account by paying penalty amount plus GST imposed as per MSTC policy.

6. Digitally signed Acceptance letter (AL) will be issued by MSTC on receipt of EMD indicating the schedule of payment and mode & manner of payment of the remaining sale value along with duties and taxes as per terms and conditions of e-auction. The digitally signed AL will be automatically forwarded to the registered emails of buyer as well as seller and no physical copy of AL will be sent. Payment of balance sale value along with duties and taxes must be made within the stipulated time period for issuance of Delivery Order.

7. Payment of Balance Sale Value for Issuance of Delivery Order: Digitally signed Delivery Order will be issued by MSTC on receipt of balance sale value along with taxes and duties indicating details like delivery schedule, payment details etc. Payment of balance sale value will be made strictly in accordance with terms and conditions defined in the e-auction with respect to Time-Period, Mode and Manner of Payment or as indicated in Acceptance Letter.
