Post Auction Payment(s)

1. Successful Bidder will have to deposit Post Bid EMD (herein after referred to as EMD) at a rate percentage calculated on basic bid value, as mentioned in auction catalogue (lot details). Payment of EMD is to be made strictly in accordance with terms & conditions stated in auction catalogue with respect to Time-Period and Rate Percentage or as indicated in Sale Intimation Letter (herein after referred to as SIL).

2. The EMD will be adjustable towards material value only after receipt of the balance material value of last instalment (in case of instalment payment) along with applicable Duties & Taxes as per terms and conditions of e-auctions failing which the EMD will stand forfeited automatically.

3. Non-submission of EMD within the stipulated time period will lead to automatic deactivation of the bidder s account. However, the bidder can make payment of full material value along with all duties & taxes within total free time period available. Late submission of EMD under any circumstances will not lead to extension of normal free payment time period.

4. Although immediately after closing of e-Auction, a system generated automatic Sale Intimation Letter (herein after referred to as SIL) will be sent by e-mail to the Successful bidder, it will be the duty of individual bidder to personally check the status of the lot in Lot Status link available in bidder s login and ensure the timely deposit of EMD. SIL issued by MSTC is for record purpose only. Bidder must, therefore keep a watch on their e-mails and keep the same valid and active all the time. No hard copy of the SIL (for Confirmed or Subject to Approval (STA) lots) will be issued by MSTC.

5. Default in Payment Of EMD: In case the successful Bidder defaults in making payment of EMD within stipulated time, his login will be automatically de-activated by the system and will remain so for a minimum period of 3/6 months as per MSTC Policy. 8. Payment Time Period for making payment of Balance Sale Value along with duties and taxes will be Full Payment Time as defined in auction catalogue less Post Bid EMD Payment Time already given for payment of EMD. Reckoning of Payment Time for the purpose of making payment will start from the date of closing of auction excluding the date of auction and for STA lot reckoning will start from the date of acceptance of the lot as registered by the seller in the system. Total Free Time Period will not change under any circumstances.

Late payment charge shall be calculated on basic bid value. However, this shall not confer any right to the Bidder to make any Late Payment of Balance Sale Value or applicable Duties and Taxes. Seller/MSTC reserves the right to accept or not to accept the payment of the Balance Sale Value with or without the Late Payment charges after the expiry of the stipulated payment time period as mentioned in the auction terms.
