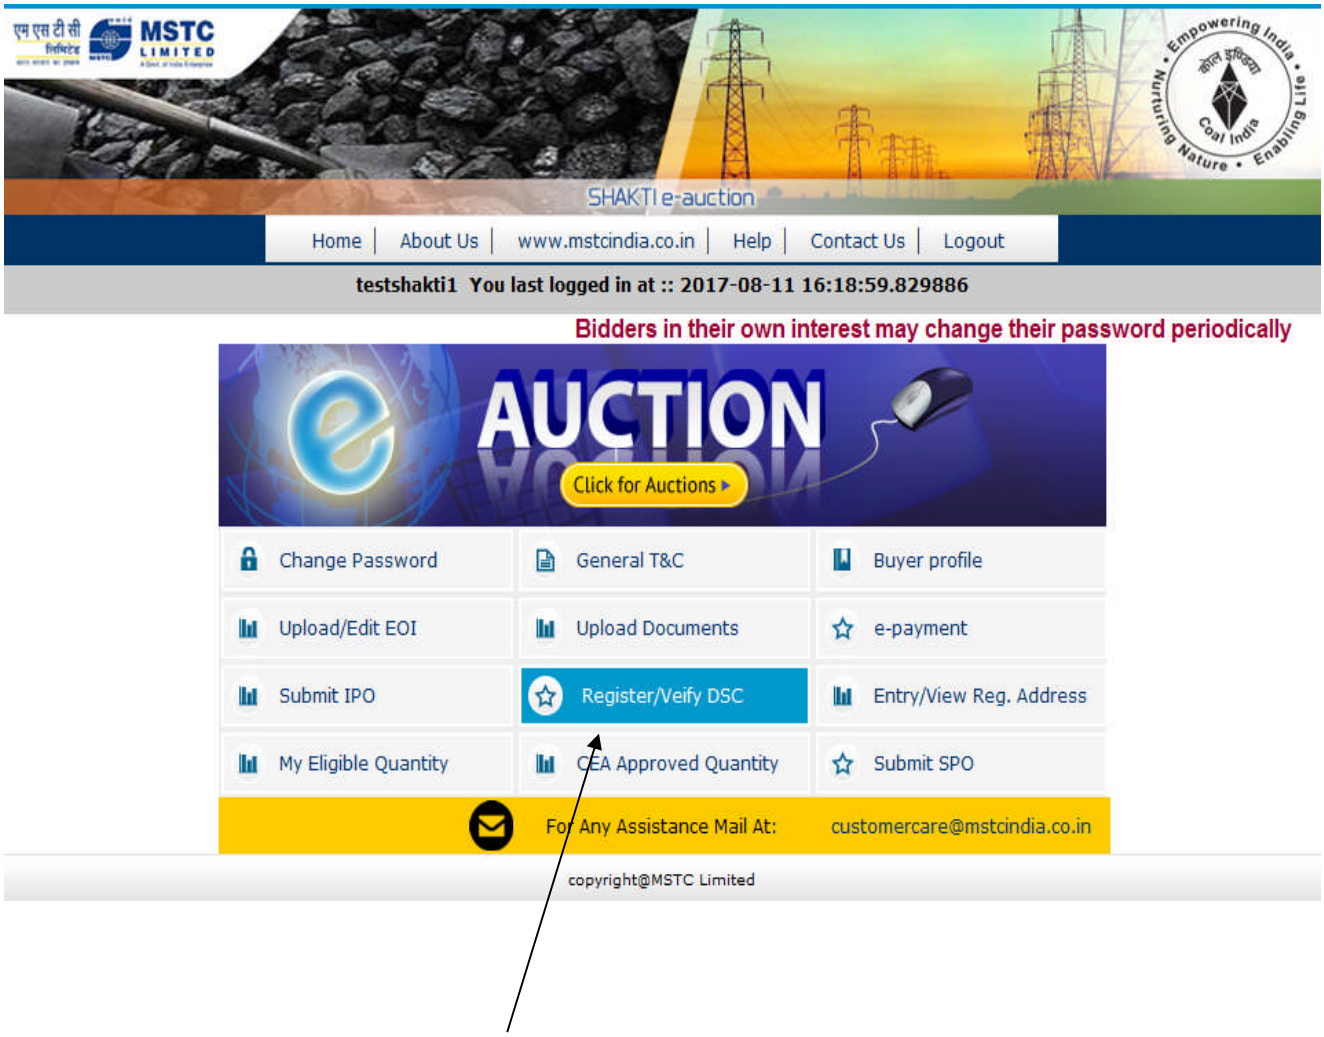
Guide on DSC Registration

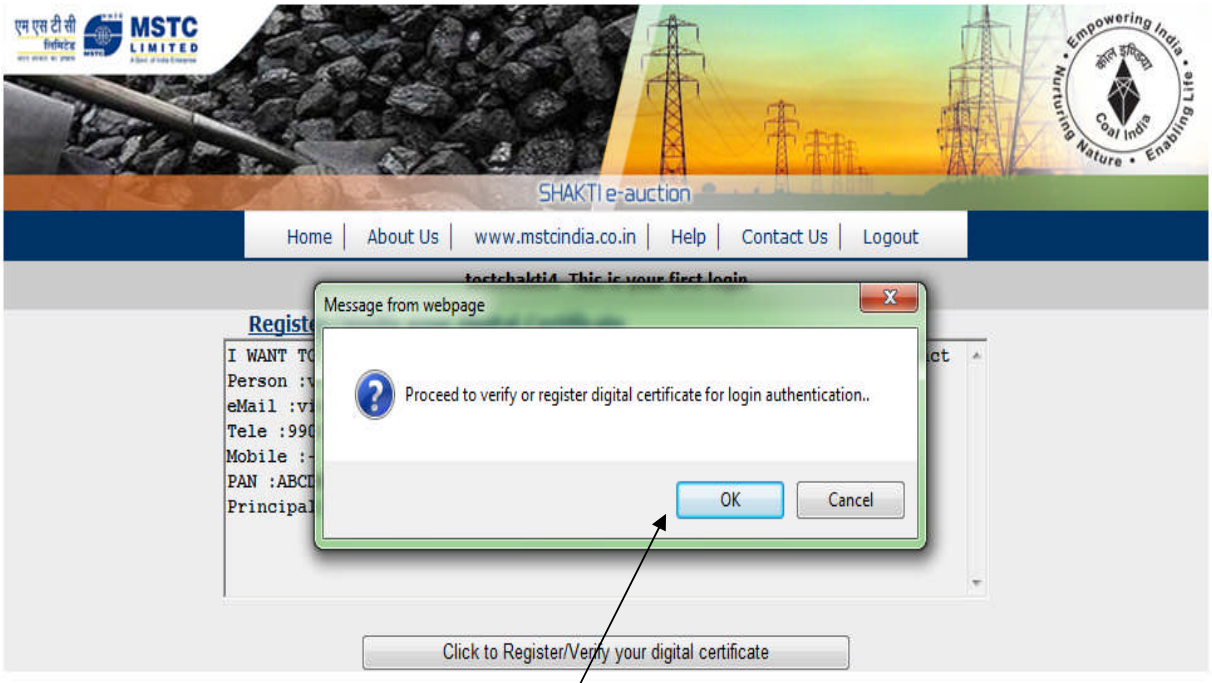
To register Digital Signature Certificate (DSC) , the successful registered bidder has to login into our web site http://www.mstcecommerce.com/auctionhome/shakti/indexr2.jsp with his userid and password.

After login the home page will open.

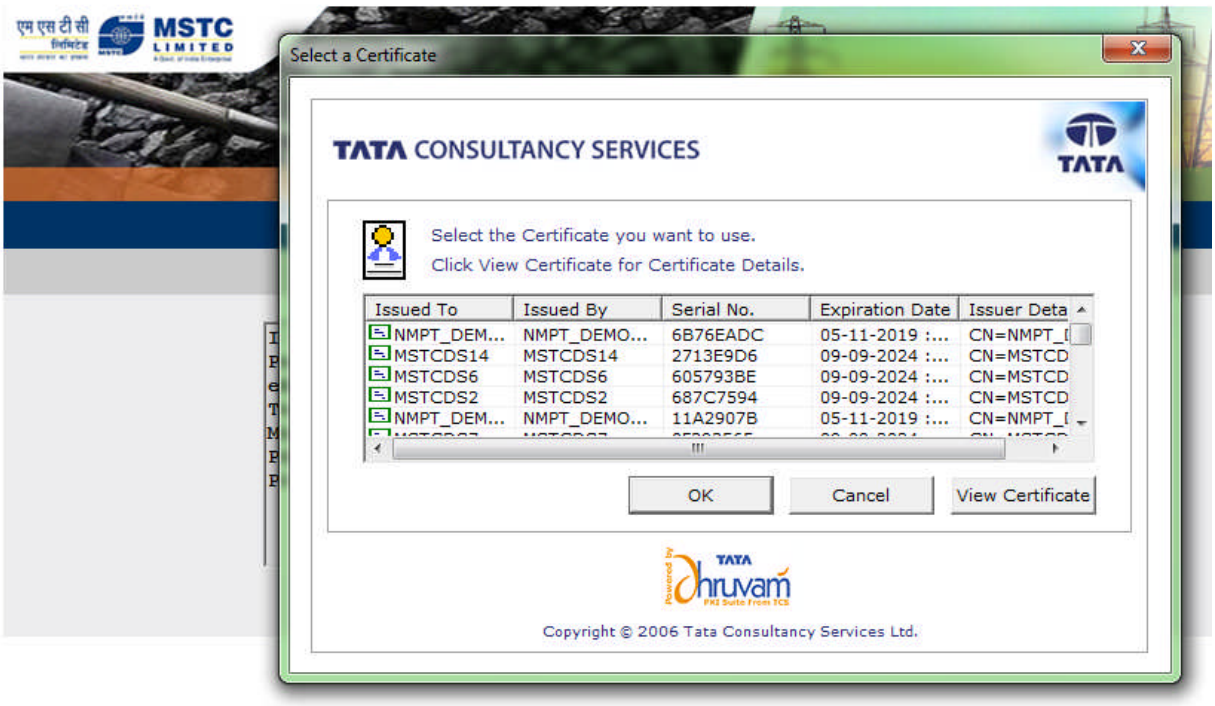


Click on the Register/Verify DSC

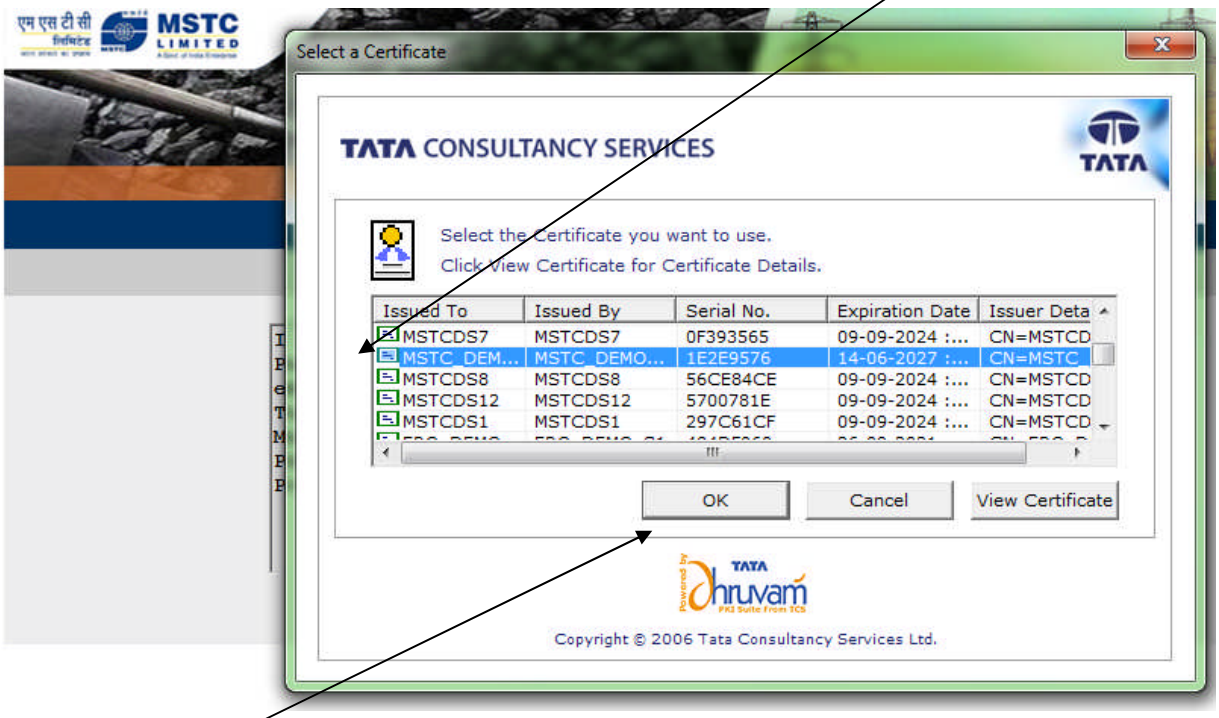
Click on the "**Click to Register/Verify your digital certificate**" button.



A popup message appears. Press the OK button.



A Digital signature reader page from Tata Consultancy Services page opens. Select the DSC from the list of DSC registered in your system appearing in the digital signature reader .



And press the OK button.

On the next page the system will ask for the digital signature PIN number. On submitting the pin number some encrypted coding will appear.

Press the OK button.
